

Subject: Request to Attend (ISC)² CCSP® Cloud Security Professional Online Instructor Led Course

Dear [decisionmakename],

I would like to request to attend (ISC)²'s 2-day CCSP virtual training taking place November 14-15, 2020. This course will help me review and refresh my cloud information security knowledge, stay current on industry best practices to better protect our organization, and help me prepare for the CCSP exam.

With your approval to attend, I'll have the opportunity to:

- **Expand my cloud information security knowledge.** This 2-day course will cover essential cloud computing and security topics, including legal considerations, privacy and regulatory compliance, adoption strategies, as well as cloud security and cloud forensics will be addressed.
- **Prep for the CCSP exam.** The CCSP is a global credential representing the highest standard for cloud security expertise, co-created with Cloud Security Alliance - leading stewards for information security and cloud computing security. The 2-day training, study guide, course materials and practice assessment I'll gain access to will help set me up for success.
- **Network with my peers.** Virtual training gives me the opportunity to learn from other security professionals, and the opportunity for students to network. This will give me a chance to raise our company's profile and further develop our relationships and contacts.
- **Earn up to 16 Group A CPEs as an (ISC)² member.**

Below are the estimated costs for my attendance: (USD)

CCSP Training	\$1,500 (\$1,400 with Early Bird Pricing before Sept 30)
(OPTIONAL) All Access Conference Pass - (3 days)	\$ 395 (\$295 with Early Bird Pricing before Sept 30)
Total cost to attend:	\$1,895

I will submit a list of the key things I learned and subsequent action plan when I complete my (ISC)² CCSP Training. I will also provide a review of the event to assist in your decision on any future attendance by colleagues.

Thank you for your consideration. Don't hesitate to contact me if you need more information or would like to discuss this opportunity further. I look forward to your reply.

Sincerely,
